

Downloading Photos from flickr

As some of our ZOE children cannot be photographed for their own safety, visitors to the ZOE Children's Homes are unable to take photos.

So that you can better share your experiences at ZOE with friends and family, we are making available approved photos for your use.

To view photos

Go to: www.zoechildren.org/blog

Then click on the **flickr** icon in the right-hand column.

The pictures will start to show automatically.
